Summer Camps

Fun Activities for Youth with Autism & Similar Challenges

Our ABA-based camps will support your child in learning skills appropriate to their age in a fun and supportive environment! Such skills include social engagement and communication, playing or engaging successfully with peers, self-regulation and more.

All camps include self-advocacy, social communication and relationship skill building activities, and are led by our team of adult experts. If your child is in Grades 1-6, you have the option to enroll in one or both sessions (half or full day).

Funding for a portion of our programs provided by the County of San Diego.

Founded in 1887, the San Diego Center for Children is the oldest children's 501(c)(3) nonprofit in San Diego. The Center provides evidence-based therapeutic, educational, foster care and transition services to children and families struggling with mental, emotional and behavioral disorders. Today, with 8 program sites and community-based services within hundreds of homes and schools across San Diego County, the Center empowers over 1,000 people every day.
