

Back-to-School Drive

The new school year is just around the corner for the youth supported by the San Diego Center for Children. Unfortunately, many of the children, teens, and families we work with face challenges accessing the basic supplies needed for a successful start. For those in need, receiving new school supplies can provide a meaningful boost in confidence and self-worth.

You can help in their success by donating today!

- **Host a back-to-school drive** with your company or service organization for these items
- **Shop our online wish lists** and ship directly to the Center - Visit [CenterforChildren.org/wishlists](https://centerforchildren.org/wishlists)
- Visit [CenterforChildren.org/ready](https://centerforchildren.org/ready) or **Text SDCC to 44321** to make a monetary gift
